MEMORANDUM

TO: Control
Attn: Col. George R. Grunert
FROM: Acting Chief, FBI
SUBJECT: Interrogation of General Makoto Onodera
REFERENCE: 467 (IN 15178)

1. Subject interrogation was effected by Lt. Cmdr. Theodore Rousseau of the Strategic Services Unit at the Sugamo Prison in Tokyo between 6 May and 30 July 1946. It is presumed that the interrogator, who worked under the auspices of General MacArthur's G-2 had submitted a copy of the subject interrogation report to G-2 in Tokyo.

2. It would be appreciated if you were to inquire whether or not all or part of the subject interrogation report was given to the British authorities either in the field or through G-2 in Washington.
